作文范文

Ladies and Gentlemen,

Good afternoon! I’m Li Hua, aged 17, a sunny and outgoing middle school student as you see. Today, it’s my honor to stand here giving a speech with the title of “ Dream Lighten My Life”.

Everyone embraces different dreams to lighten or to contribute to the great rejuvenation of the Chinese nation. When it comes to me, I’ve been dreaming of becoming a doctor since childhood. When I see people suffering and dying of illnesses, I made up my mind to help the sick and cure them of their diseases. I hope to see a world where there is no cancer, no Aids, no fatal diseases.

Admittedly, to pursue and fulfill my dream, I will always keep it in mind so as to try most to be admitted by a key medical university, thus learning the essential knowledge and accumulating a great deal of experience.

This is my dream, lightening my life far ahead. Now I believe I have one more step to close to it, right?

Thank you for your listening!

听力录音原文

Text 1

M: We can't keep all these unused things in the garage anymore.

W: Jonathan has a lot of old baseball equipment. Lucy has many old toys. I need to get rid of some used books.

M: We can have a yard sale and donate the money.

Text 2

W: Thanks for a great time! Do you want to order dessert?

M: I'm so full! But I'd like to stay and keep chatting with you. Why don't we order a piece of cake to share?

Text 3

W: Hi, do you have these jeans in a size 8?

M: I'm sorry, ma'am. My computer says that we just sold our last pair. But you can order them online, and they'll be sure to arrive in 3-5 days.

Text 4

M: My mother's coming to visit.

W: Oh, no! I've got to get ready! She's going to tell me that everything's a mess! Let's see… I have to do the laundry, clean the floors, wash the windows, bake some bread and…

Text 5

W: The new bank is finally open! Now we don't need to drive across town to get our money.

M: Great! I'm glad we can pay our electric bill close to our house.

Text 6

M: How did you spend your vacation?

W: I went to New York with my mom. It was wonderful.

M: Oh, I love New York City! My sister lives there.

W: Well, we didn't spend any time there. I was visiting my uncle. He lives on a farm.

M: Really? Did you take a train there?

W: No. I flew into Buffalo. We were hoping to take a bus from the airport to my uncle's place, but there aren't any buses that go to his place. He had to pick us up in his truck.

Text 7

M: All right. Now that Mr. Scott has chosen our group, we should probably start giving out tasks for everyone. Does anyone want to be the group leader?

W: I think you should do it, since you seem to know what you're doing. Becky, Carl, and I will support you in any way we can.

M: Okay, then. Becky has an eye for detail, so she can get started on the research part of the project. Joanne, since you write for the newspaper, can you work as our writer?

W: Sure. That way, Becky and I can work together. And what will you do, George?

M: I'm going to draw up an outline and work with Carl on the PowerPoint presentation. I'll have the outline for you by the end of the week, and then you can get started on the introduction.

Text 8

W: Well, I see you've got your books, George. But are you reading? Looks like you're just coloring.

M: I'm marking the important parts of the book. The colors are for different things.

W: Like what?

M: Main ideas are yellow, important details to remember are pink, and the light green is for difficult ideas. I'll probably find out more about those in class tomorrow.

W: Hmm. This seems like a lot of activities. Aren't you wasting your time?

M: I don't think so, Mom. I'll read it all tonight, I'll listen to it tomorrow, and then when it's time to study, I will already know most of the information.

W: In my day, we just read the book and tried to remember the information.

M: The teacher told us the importance of active reading, and it's the best way to learn, no matter if you're a fast or slow reader.

W: I see. And what's this notebook for?

M: That's for taking notes.

Text 9

W: Hey, Jason. I hear you're being sent to France for a new position.

M: Wow, that was fast! I hardly told anyone! The boss just told me a few hours ago. Katie doesn't know yet, in fact…

W: Really? So, why wait? When are you going to give her the big news?

M: Well, she is teaching at the moment. She doesn't finish until 3:30, and then she usually stays after class for a couple of hours. It will have to wait until tonight, I guess.

W: Well, I lived there in 2010. It's not that different from the U.S. The weather is the same, and the local people have similar customs. But the food is much better in France! What about your family? Are they all moving with you?

M: Well, that's the idea, but I don't know much about the schools over there. I hope to move everyone in a few months. I definitely don't like the idea of spending a year without Katie and our kids. I'm so busy that I don't get much time with them as it is.

W: Well, that's what a lot of people in our company say, I suppose.

M: Yeah. Only time will tell. I'll buy our sandwiches, OK?

W: No, no. It's my treat.

【点睛】

七选五题型主要考查上下文的理解与推断，虽然文章整体难度一般低于阅读理解，但是却给很多同学造成了很大的心理障碍。七个选项中选五个，比四个选项中选一个，感觉干扰性更大，很大同学在做这个题目时，总有一种眼花缭乱、心烦气躁的感觉，致使往往正确率不高。在这里提醒同学们，首先要克服心理障碍，同时要注意方式方法。首先，要使用铅笔在试题上标识，确定出来的选项就用铅笔划掉，一旦发现选择有误，可以方便修改，减少干扰；第二，一定要注意文章开头的段落，文章第一段一般是主题段，会点明一篇文章要讲述的内容，做到心中有数；第三，注意设空前后的句子，因为这些句子之间是顺承和联系的，所有一定要联系和理解上下文的语境。例如第 2 小题，根据上文 The most common type of robotic device is a mechanical arm. This is often used in manufacturing.中的 mechanical arm 与 F 项 These arms move in many directions and perform precise and repetitive tasks with ease.中的 These arms 相呼应。由此可知，F 选项正确。
